Our School Song - *We are Punggol View*

Lyrics by Staff of Punggol View

Music by Mrs Melody Leong

### *Verse 1*

I am a starfish  
Here in Punggol View.  
All of us are precious gems  
Sparkling, shining in many ways.

### *Verse 2*

We grow and glow together  
To be the persons of character.  
Live our values every day,  
Give of our best in all we do.

### *Chorus*

We are from Punggol View  
The precious ones, the happy ones.  
Working in harmony,  
Caring for this family.  
Standing for what is right,  
Respecting one and all.  
Never give up before we've tried ('cause)  
In all that we do,  
It's with all of our heart.  
For all that we do,  
We are Punggol View.

## **13<sup>th</sup> Annual Prize Presentation 2025**

Celebrating the Heart, Courage, and Curiosity in Every Learner.

**This year, our school turns 13, and our theme is *The Wizard of Oz*! When we think about the story, we remember Dorothy walking down the yellow brick road with her friends — each of them learning something special along the way. It reminds us of our own journey in PGVP.**

**Every day in school feels like an adventure. Sometimes we face challenges, just like Dorothy and her friends. There are days when we need courage to try something new, a kind heart to help someone, or wisdom to make the right choice. But no matter what, we always have our teachers, friends, and schoolmates walking beside us.**

## **13<sup>th</sup> Annual Prize Presentation 2025**

Celebrating the Heart, Courage, and Curiosity in Every Learner.

**PGVP is like our very own Emerald City — bright, full of dreams, and a place where everyone belongs. Our teachers guide us, our friends cheer us on, and together we learn that the magic we need is already inside us — courage, kindness, and curiosity.**

**Today, as we celebrate our 13th Annual Awards Day, we honour all the students who have worked hard and done their best. Every prize is not just for good results, but for the effort, teamwork, and heart that make PGVP such a special place.**

**Our school has grown so much over the years, and just like Dorothy, we've learned something important too — that even as we keep dreaming and reaching for the skies, sometimes the greatest magic isn't just somewhere over the rainbow. It's right here, in PGVP, where we learn, grow, and shine together.**
