To Make a Difference

Our Story ... for our children

School + Parents = Successful Children

Our Staff,
Our Caring
Educators

Our Children,
Our Confident
Learners

Our Parents,
Our Supportive Partners

We want to build a Family... for our children

We believe that if we work
together, home and school, we can
bring out the best in every child

Profile of Punggol View Primary

- **13-year-old school; set up in 2013**
- **Has a population of 1510**
- **Single session: P1-P6 reports by 7.30 a.m.**

Our School Crest....

Let us look at
our
school crest

Our School Philosophy

The starfish is like your
child

Your child is our **gift**,
the focus of our work in
Punggol View

He or she is very **precious** to
everyone of us

To Make a Difference

We want to **grow** every child so that he or she will eventually **glow** as our **STARLITE**

One who is **S**pecial, **T**alented with **A**spirations and is anchored in the **R³ICH** values

R³ICH values:

Respect, Responsibility, Resilience, Integrity, Care & Harmony

Our Philosophy

Values-based, Holistic Education

We believe in **nurturing the whole child** by guiding our students to develop their **moral, emotional, social, cognitive, aesthetic** and **physical (MESCAP) domains** to the fullest so that they will become **good and useful citizens of tomorrow**

Our Philosophy

Values-based, Holistic Education

Do the Right Thing
And
Give of Your Best

Aim of Primary Education

- To lay a strong foundation
- To nurture the whole child

MOE's vision Future of Learning...

Part of the
Eagles Award in
2024

The enhanced 21CC framework will now place a greater emphasis on **adaptive and inventive thinking**, communication, and civic literacy. Mr Chan said schools have to develop students' values and competencies, which will be critical for them to be able to navigate a world defined by information overload and rapid change.

THE STRAITS TIMES, SEPTEMBER 20, 2023

HOW is learning organised in Punggol View Primary School ...

*The school adopts SEED programme
(Strategies for Effective Engagement & Development)*

- Class size of 30-32
- Literacy programme with focus on reading
- More activity-based lessons e.g. learning centres, learning journeys
- More teacher-prepared materials; textbooks as resources
- Informal, continual and alternative assessments; beyond pen-and-paper (Holistic Assessment since 2013)

What do P1 children learn ?

- P1 Programme...

- English, Mathematics and Mother Tongue Languages (MTL)
- CCE/ FTGP values education
(R³ICH values, life skills, National Education & Social Studies)
- Health Education & PE
- Programme for Active Learning (PAL)

Providing a variety of learning experience
for your child to acquire knowledge, skills and
values

Primary School Experience – Acquiring a Strong Foundation, Discovering interests and Strengths

Programme for Active Learning (PAL)

- Students learn through a wide range of learning experiences
- Develop holistically and discover their interests and strengths

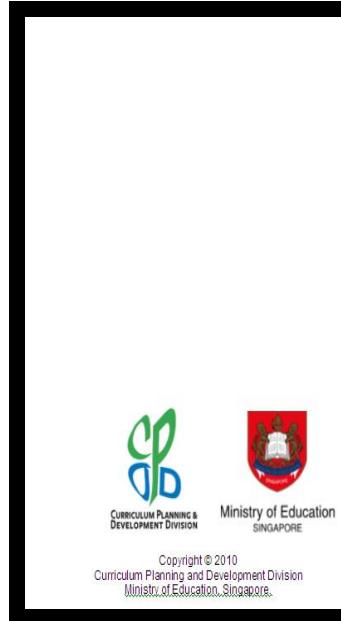

Greater emphasis on PE, Art and Music (PAM);

Extension of PAM...

6 Modules from P1 to P2 ... (Sports & Games; Outdoor Education; Visual Arts; Performing Arts)

How do we know your children have learnt? [Holistic Assessment]

- Provide you, parents with a more comprehensive “**Holistic Development Profile**” of your child
- Captures a fuller picture of your child’s progress and learning throughout the year
- Especially impt now that there is no formal exam at P1 and P2 (since 2019) ...
